

Can you have fun working? *Maybe.*

Can you have fun volunteering? ***Absolutely. ****

Let alone the health benefits of Volunteering, see our story about it here. [Benefits of Volunteering](#)

Hopefully you have researched our website before coming to this page, so you know that all of our fund raising goes **100%** back to our local community.

And that we focus on our five primary humanitarian efforts:

1. Pediatric Cancer
2. Vision
3. Environment
4. Diabetes
5. Hunger

And so much more!

Our dues are only \$155.00 per year and go to support all the administrative costs we incur so that we can give back 100% to our local community.

We have many opportunities to engage with members of the community at our fundraisers and service projects. Come join us and see what the Lions are doing.

Interested?

For more information "[Contact Us](#)" and check out our calendar of events. It feels good to give back and fulfill our motto, "WE SERVE".

**Pictured above is a small group from the New Freedom Lions Club having just volunteered for the New Freedom 150th parade. All smiles. ☺ ☺ ☺*
